Test cases

Number	Precondition Test steps and test data	Expected result	Actual result in chrome	Actual result in mozilla	Status
1.1	**Email field positive tests**				
1.1.1	Steps. • Type Text Area "First Name" = John • Type Text Area "Last Name" = Smith • Type Text Area "Email" = user@email.am • Type Text Area "Address" = 445 Mount Eden Road, Mount Eden, Auckland • Type Text Area "Phone Number" = +37494949494 • Type Text Area "Password" = zzzzzz • Type Text Area "Confirm Password" = zzzzzz • Click on button "Sign up" • Check that create account with email "user@email.am"	create account with email "user@email.am"	As expected	As expected	PASS
1.1.2	Steps. • Type Text Area "First Name" = John • Type Text Area "Last Name" = Smith • Type Text Area "Email" = user_user@email.am • Type Text Area "Address" = 445 Mount Eden Road, Mount Eden, Auckland • Type Text Area "Phone Number" = +37494949494 • Type Text Area "Password" = zzzzzz • Type Text Area "Confirm Password" = zzzzzz • Click on button "Sign up" • Check that create account with email "user_user@email.am"	create account with email "user_user@email.am"	As expected	As expected	PASS
1.1.3	Steps. • Type Text Area "First Name" = John • Type Text Area "Last Name" = Smith • Type Text Area "Email" = user-user@email.am • Type Text Area "Address" = 445 Mount Eden Road, Mount Eden, Auckland • Type Text Area "Phone Number" = +37494949494	create account with email "user-user@email.am"	As expected	As expected	PASS

	• Type Text Area "Password" = zzzzzz • Type Text Area "Confirm Password" = zzzzzz • Click on button "Sign up" • Check that create account with email "user-user@email.am"				
1.1.4	Steps. • Type Text Area "First Name" = Johny • Type Text Area "Last Name" = Smith • Type Text Area "Email" = user1234@email.am • Type Text Area "Address" = 445 Mount Eden Road, Mount Eden, Auckland • Type Text Area "Phone Number" = +37494949494 • Type Text Area "Password" = zzzzzz • Type Text Area "Confirm Password" = zzzzzz • Click on button "Sign up" • Check that create account with email "user1234@email.am"	create account with email "user1234@email.am"	As expected	As expected	PASS
1.2	**Password and Confirm Password positive fields**				
1.2.1	Steps. • Type Text Area "First Name" = John • Type Text Area "Last Name" = Smith • Type Text Area "Email" = user1@email.am • Type Text Area "Address" = 445 Mount Eden Road, Mount Eden, Auckland • Type Text Area "Phone Number" = +37494949494 • Type Text Area "Password" = 222222 • Type Text Area "Confirm Password" = 222222 • Click on button "Sign up" • Check that create account with password 222222	Create account with password 222222	As expected	As expected	PASS
1.2.2	Steps. • Type Text Area "First Name" = Johny • Type Text Area "Last Name" = Smith • Type Text Area "Email" = user2@email.am • Type Text Area "Address" = 445 Mount Eden Road, Mount Eden, Auckland • Type Text Area "Phone Number" = +37494949494 • Type Text Area "Password" = utyuyu • Type Text Area "Confirm Password" =	Create account with password utyuyu	As expected	As expected	PASS

	utyuyu • Click on button "Sign up" • Check that create account with password utyuyu					
1.2.3	Steps. • Type Text Area "First Name" = Razmik • Type Text Area "Last Name" = Darbinyan • Type Text Area "Email" = user3@email.am • Type Text Area "Address" = 445 Mount Eden Road, Mount Eden, Auckland • Type Text Area "Phone Number" = +37494949494 • Type Text Area "Password" = 22eeee • Type Text Area "Confirm Password" = 22eeee • Click on button "Sign up" • Check that create account with password 22eeee	Create account with password 22eeee	As expected	As expected	PASS
1.2.4	Steps. • Type Text Area "First Name" = Ann • Type Text Area "Last Name" = Smith • Type Text Area "Email" = user4@email.am • Type Text Area "Address" = 445 Mount Eden Road, Mount Eden, Auckland • Type Text Area "Phone Number" = +37494949494 • Type Text Area "Password" = "admin" • Type Text Area "Confirm Password" = "admin" • Click on button "Sign up" • Check that create account with password "admin"	create account with password "admin"	As expected	As expected	PASS
1.3	**First Name and Last Name positive fields**					
1.3.1	Steps. • Type Text Area "First Name" = John-Row • Type Text Area "Last Name" = Smith-Smith • Type Text Area "Email" = user5@email.am • Type Text Area "Address" = 445 Mount Eden Road, Mount Eden, Auckland • Type Text Area "Phone Number" = +37494949494 • Type Text Area "Password" = 123456	Create account with First Name John-Row and Last Name Smith-Smith	As expected	As expected	PASS

	• Type Text Area "Confirm Password" = 12356 • Click on button "Sign up" • Check that create account with First Name John-Row and Last Name Smith-Smith					
1.4	**Phone Number positive tests**					
1.4.1	Steps. • Type Text Area "First Name" = John • Type Text Area "Last Name" = Smith • Type Text Area "Email" = user6@email.am • Type Text Area "Address" = 445 Mount Eden Road, Mount Eden, Auckland • Type Text Area "Phone Number" = +99594949494 • Type Text Area "Password" = zzzzzz • Type Text Area "Confirm Password" = zzzzzz • Click on button "Sign up" • Check that create account with phone number +99594949494	create account with phone number +99594949494	As expecte d	As expecte d	PASS
1.5	**Boundary values of Email field**					
1.5.1	Steps. • Type Text Area "First Name" = John • Type Text Area "Last Name" = Smith • Type Text Area "Email" = long value a-z, A-Z, 0-9 Example: akfnasflnjl……..@mail.am (256 characters) • Type Text Area "Address" = 445 Mount Eden Road, Mount Eden, Auckland • Type Text Area "Phone Number" = +37494949494 • Type Text Area "Password" = 123456 • Type Text Area "Confirm Password" = 123456 • Click on button "Sign up" • Check that create account with email akfnasflnjl……..@mail.am (256 characters)	Error messege "Invalid Email"	As expecte d	As expecte d	PASS
1.6	**Boundary values of Password field**					
1.6.1	Steps. • Type Text Area "First Name" = John • Type Text Area "Last Name" = Smith • Type Text Area "Email" = user1234@email.am	Error Messege 'Minimul length of password is 6 characters and maximum is 50'	As expecte d	As expecte d	PASS

	- Type Text Area "Address" = 445 Mount Eden Road, Mount Eden, Auckland - Type Text Area "Phone Number" = +37494949494 - Type Text Area "Password" = long value a-z, A-Z, 0-9 Example: kjndfksdfnk…..616 (256 characters) - Type Text Area "Confirm Password" = long value a-z, A-Z, 0-9 Example: kjndfksdfnk…..616 (256 characters) - Click on button "Sign up" - Check that create account with password kjndfksdfnk…..616 (256 characters)				
1.7	**Boundary values of First Name and Last Name fields**				
1.7.1	Steps. - Type Text Area "First Name" = long value A-Z, a-z Example: Halkfnsfjnanslf...(256 characters) - Type Text Area "Last Name" = Smith - Type Text Area "Email" = user@user.com - Type Text Area "Address" = 445 Mount Eden Road, Mount Eden, Auckland - Type Text Area "Phone Number" = +37494949494 - Type Text Area "Password" = 123456 - Type Text Area "Confirm Password" = 12345 - Click on button "Sign up" - Check that create account with First Name Halkfnsfjnanslf...(256 characters)	Error messege " Must contain only letters and have size not more than 50 characters"	As expected	As expected	PASS
1.7.2	Steps. - Type Text Area "First Name" = Armen - Type Text Area "Last Name" = long value A-Z, a-z Example: Halkfnsfjnanslf...(256 characters) - Type Text Area "Email" = user@user.com - Type Text Area "Address" = 445 Mount Eden Road, Mount Eden, Auckland - Type Text Area "Phone Number" = +37494949494 - Type Text Area "Password" = 12345 - Type Text Area "Confirm Password" = 123456 - Click on button "Sign up" - Check that create account with Last Name Halkfnsfjnanslf...(256 characters)	Error messege " Must contain only letters and have size not more than 50 characters"	As expected	As expected	PASS

1.8	**Boundary values of address field**				
1.8.1	Steps. • Type Text Area "First Name" = Armen • Type Text Area "Last Name" = Duryan • Type Text Area "Email" = user@user.com • Type Text Area "Address" = long value A-Z, a-z Example: Halkf445, nsfjnanslf... (256 characters) • Type Text Area "Phone Number" = +37494949494 • Type Text Area "Password" = 12345 • Type Text Area "Confirm Password" = 12345 • Click on button "Sign up" • Check that create account with Address Halkf445, nsfjnanslf...(256 characters)	Error messege 'Invalid Address'	As expected	As expected	PASS
1.9	**Boundary values of phone number field**				
1.9.1	Steps. • Type Text Area "First Name" = John • Type Text Area "Last Name" = Smith • Type Text Area "Email" = user@email.am • Type Text Area "Address" = 445 Mount Eden Road, Mount Eden, Auckland • Type Text Area "Phone Number" = long value +, 0-9 Example: +1538131...541(256 characters) • Type Text Area "Password" = zzzzzz • Type Text Area "Confirm Password" = zzzzzz • Click on button "Sign up" • Check that create account with phone number +1538131...541(256 characters)	Error messege 'Length of phone number must be 8..50 and start with + sign'	As expected	As expected	PASS
1.10	**Email negative fields**				
1.10.1	Steps. • Type Text Area "First Name" = John • Type Text Area "Last Name" = Smith • Type Text Area "Email" = user@123.com • Type Text Area "Address" = 445 Mount Eden Road, Mount Eden, Auckland • Type Text Area "Phone Number" = +37494949494 • Type Text Area "Password" = 123456789 • Type Text Area "Confirm Password" = 123456789 • Click on button "Sign up"	Error messege "Invalid email"	As expected	As expected	PASS

	• Check that create account with email user@123.com				
1.10.2	Steps. • Type Text Area "First Name" = John • Type Text Area "Last Name" = Smith • Leave"Email" blank • Type Text Area "Address" = 445 Mount Eden Road, Mount Eden, Auckland • Type Text Area "Phone Number" = +37494949494 • Type Text Area "Password" = 123456 • Type Text Area "Confirm Password" = 123456 • Click on button "Sign up" • Check that create account without email	Error messege "Invalid email"	As expected	As expected	PASS
1.11	**First Name and Last Name negative fields**				
1.11.1	Steps. • Type Text Area "First Name" = ,John • Type Text Area "Last Name" = Smith • Type Text Area "Email" = user@email.am • Type Text Area "Address" = 445 Mount Eden Road, Mount Eden, Auckland • Type Text Area "Phone Number" = +37494949494 • Type Text Area "Password" = zzzzzz • Type Text Area "Confirm Password" = zzzzzz • Click on button "Sign up" • Check that create account with First Name ,John	Error messege "Must contain only letters and have size not more than 50 characters"	As expected	As expected	PASS
1.11.2	Steps. • Type Text Area "First Name" = J+-ohn • Type Text Area "Last Name" = Smith • Type Text Area "Email" = user@email.am • Type Text Area "Address" = 445 Mount Eden Road, Mount Eden, Auckland • Type Text Area "Phone Number" = +37494949494 • Type Text Area "Password" = zzzzzz • Type Text Area "Confirm Password" = zzzzzz • Click on button "Sign up" • Check that create account with First Name J+-ohn	Error messege "Must contain only letters and have size not more than 50 characters"	As expected	As expected	PASS

1.11.3	Steps. • Type Text Area "First Name" = John • Type Text Area "Last Name" = S*&mith • Type Text Area "Email" = user7@email.am • Type Text Area "Address" = 445 Mount Eden Road, Mount Eden, Auckland • Type Text Area "Phone Number" = +37494949494 • Type Text Area "Password" = zzzzzz • Type Text Area "Confirm Password" = zzzzzz • Click on button "Sign up" • Check that create account with Last Name S*&mith	Error messege "Must contain only letters and have size not more than 50 characters"	As expected	As expected	PASS
1.12	**Password and Confirm Password negative tests**				
1.12.1	Steps. • Type Text Area "First Name" = John • Type Text Area "Last Name" = Smith • Type Text Area "Email" = user@email.am • Type Text Area "Address" = 445 Mount Eden Road, Mount Eden, Auckland • Type Text Area "Phone Number" = +37494949494 • Type Text Area "Password" = zzzzzz • Type Text Area "Confirm Password" = zzzzzZ • Click on button "Sign up"	Error messege "Confirm password error"	As expected	As expected	PASS
1.13	**Phone Number negative tests**				
1.13.1	Steps. • Type Text Area "First Name" = John • Type Text Area "Last Name" = Smith • Type Text Area "Email" = user_user@email.am • Type Text Area "Address" = 445 Mount Eden Road, Mount Eden, Auckland • Type Text Area "Phone Number" = 37494949494 • Type Text Area "Password" = zzzzzz • Type Text Area "Confirm Password" = zzzzzz • Click on button "Sign up" • Check that create account with phone number 37494949494	Invalid phone number (phone number must start with + sign and contain only numbers)	As expected	As expected	PASS
	Steps. • Type Text Area "First Name" = John	Invalid phone number (phone	As expecte	As expecte	PASS

		number must start with + sign and contain only numbers)	d	d	
	• Type Text Area "Last Name" = Smith • Type Text Area "Email" = user_user@email.am • Type Text Area "Address" = 445 Mount Eden Road, Mount Eden, Auckland • Type Text Area "Phone Number" = 374949dd49494 • Type Text Area "Password" = zzzzzz • Type Text Area "Confirm Password" = zzzzzz • Click on button "Sign up" • Check that create account with phone number 374949dd49494
